1. This is an application for grant of bail. The applicant is shown as an accused in C.R.No.986/2005 registered by the Swargate police station. On perusal of the material on record it is seen that the sister of the applicant had a love affair with the deceased Vijay who was earlier an employee of the applicant. Applicant was not in favour of love marriage. The applicant had warned the deceased to severe the relation and marry with other girl. Thereafter deceased got engaged with another girl and marriage was to take place within

10 days. This was intimated to the applicant and applicant held party in the hotel and deceased and his friend were invited on 6.11.2005. In the hotel the applicant shot dead the deceased. There are 4 eye witnesses to the incident. Medical evidence corroborates the version of the eye witnesses and there are 11 injuries like abrasions and contusions. The applicant has assaulted the deceased outside the hotel with butt of his pistol. There are 6 eye witnesses to this incident. C.A. report indicates that the bullet fired in the present case and the 7 live cartridges tallied. In the identification parade several witnesses have identified the present applicant. There is overwhelming material against the applicant. The only argument is that the applicant is aged 20 years. In the circumstances, not a fit case for grant of bail. Rejected.
